

ATHLETIC CODE - BLISSFIELD COMMUNITY SCHOOLS

Blissfield Community Schools, which is a member of the Michigan High School Athletic Association (M.H.S.A.A.) and subject to its rules, feels that participation in athletics is a privilege which is an important part of the educational program. Through our athletic program, we strive to engender the principles of courage, fair play, sportsmanship, tolerance, and all traits of the good citizen. The athlete learns that certain rules are necessary and how to abide by them. One learns to respect the rights of others, win with grace and humility, and to accept defeat with poise and dignity.

The Blissfield Athletic Department, reserves the right to hold those individuals associated with a team accountable for his/her actions according to this policy. (Example: student/athlete, manager, statistician personnel, etc.)

ELIGIBILITY

The Athletic Department feels that the primary purpose of the Blissfield Community School District is to provide an adequate education for everyone. In keeping with that principle, an athlete is a student first and must show responsibility in the classroom and in the citizenship arena to be eligible to participate in athletics.

RESIDENCY

To be considered for eligibility in athletics, a student must be enrolled full time at either Blissfield Middle School or Blissfield High School, adhering to our guidelines.

ACADEMIC ELIGIBILITY

Academic eligibility will be monitored when progress reports and grade cards are issued. If a student has 2 or more F's they are placed on academic probation and given one week to bring their grades up to the eligibility standards (excluding VIP). 1. If a student fails to meet eligibility standards on the progress report card, they will be placed on "Academic Probation" until the marking period grade card is issued. While on "Academic Probation", the student may turn in weekly grade reports for all classes verifying they have brought their grades up to eligibility standards. The weekly reports must be turned into the Athletic Office by 2:30 Friday or the student is automatically ineligible for one week beginning the following Monday. 2. If a student falls below eligibility standards at the marking period grade report, they are ineligible for one week and then placed on "Academic Probation" until the progress report grade is issued. 3. If a student falls below eligibility standards for a semester, they are ineligible for the next sixty (60) school days. 4. It should be understood that fall eligibility is based upon the academic performance of the previous spring.

CREDIT RECOVERY

Students are allowed to use credit recovery to regain eligibility under the following guidelines: 1) Limited to one course make-up 2) If the course failed was a core course, the same course must be retaken 3) Course must be approved by the HS Principal 4) Eligibility is restored when the credit is officially posted to the transcript.

If a student is academically ineligible he/she will practice but not participate in any scrimmages/contests.

TRANSFER STUDENTS

Transfer students will be eligible according to the guidelines set forth by MHSAA rules. In addition, Blissfield Community Schools will enforce upon a transfer student any period of ineligibility to which that student would have been subject as a result of a student or athletic code violation(s) at that student's most recent previously attended school. Students transferring from a non-accredited high school (i.e. Virtual School or Detention Center), will be required to wait one full semester before participating in athletics.

PAY TO PARTICIPATE FEE

Athletes will have to pay a participation fee for each sport. This fee will be due in the athletic office after cuts have been made. The fee for each sport will be set by the Board of Education. ALL PARTICIPATION FEES ARE NON REFUNDABLE. (No refund for quitting, dismissal, moving, injury, etc.)

SUBSTANCE USE POLICY

Since a well-trained body is essential to an athlete, use or possession of tobacco, alcohol, and illicit drugs, along with performance-enhancing substances that are banned by the National Collegiate Athletic Association (NCAA) must be prohibited. Use of these substances not only affects the physical fitness of the user but has a negative effect on one's mental attitude and the mental attitude of one's teammates. The Substance Use Policy is in effect a continual 12 month basis.

The first Substance Use Policy violation will result in a one-third (1/3) suspension of the regularly scheduled athletic contests of the sport season in which the violation occurred. Therefore, a suspension may carry over into the next season of participation. Athletes who stay at a situation where drugs (including alcohol) are provided to minors will be covered under the Substance Use Policy. Athletes using "Look-a-Like" drugs (including e-cigarettes and vaping devices) are also covered under this policy. Any athlete who is a host/hostess or a party may receive further punishment. It should be understood that the season in which a suspension is being served must be successfully completed in order for the suspension to be considered fulfilled. If the sport season is not successfully completed, the suspension would carry over to the next sport in which the student would participate. Any subsequent Substance Use Policy violations will result in suspension from athletic for one (1) calendar year. Any student who voluntarily seeks medical or professional help for substance abuse before getting caught will not face any disciplinary measures.
